CYBER GECKOS

LEARN HOW TO KEEP SAFE ONLINE ON OUR 12-WEEK COURSE

There are so many great things about getting online. Keeping safe when you are using the internet is important though. Join our Cyber Geckos course and you'll get all the support you need from expert tutors to learn how to surf safely and have fun.

The Cyber Geckos course will teach you:

- All about the internet – what is safe and what is risky
- How to be confident and surf the internet with security
- How to protect yourself and have fun online

WHERE AND WHEN

Tuesdays – 1pm to 3pm from 13 September 2011 at Greenwood Place Learning Centre, 37 Greenwood Place, London NW5 1LB

TO JOIN, CONTACT SHAMAL GALETTI WHO RUNS THE COURSE:

Email Shamal at shamal.galetti@gmail.com

Phone Shamal on 020 7482 6323

To come on the Cyber Geckos course, you should already know a little about using a computer and the internet. If you have never used a computer before, ask about our getting started classes.
