## CAPTAIN JACK'S

## If you love the sea and fish & chips then Brightlingsea is for you

This small seaside town offers boat trips, cultural events and restaurants serving tasty catches from local fishermen. If you're into relaxing, it's great for snoozing in a deckchair or watching the boats. If you're more active, you could explore the area and go cycling, fishing or walking.

Whatever you want to do, at Brightlingsea you can check in to the Camden Society's holiday home – Captain Jack's. At Captain Jack's you will get a clean and bright place to stay that is close to the seafront.

Captain Jack's has four bedrooms and comes fully furnished with everything you'll need to enjoy a seaside break. It is eight miles from the historic town of Colchester and benefits from easy transport links to London.

Unfortunately, Captain Jack's is not wheelchair accessible. If you have any mobility needs and would like to check whether Captain Jack's would be accessible for you, please give us a call at the Camden Society.
